Message from the Pastor:

Today we celebrate the Feast of the Baptism of the Lord – the memorable day when Jesus had the joy of being anointed by John the Baptist and approved by God as "God's beloved Son." Although Jesus did not need to be baptized - since He was without sin - He wanted to identify Himself as closely as possible with God's people. Because of the power of John's baptism, the people's expectation was that they found the Christ in John. John points the people, however, to Jesus, who will bring an even more powerful baptism. John's baptism is an acknowledgment of sin and repentance while Jesus' Baptism conveys the power of the Holy Spirit that will transform those who receive it in new birth in the Spirit. Over time and experience we grow to maturity as human beings, appreciating more and more fully both our roots and our potential. So, too, with our Baptism. We grow over time into understanding its meaning and the power of Jesus in our life.

As you might have noticed, I have quoted from various Popes from time to time in past Bulletin messages. Pope Francis has recently published a Spiritual Guide for this Extraordinary Jubilee Year of Mercy titled "Crossing the Threshold of Mercy" which I recommend reading. As we go forward throughout this year, I will be periodically quoting excerpts from his book which I feel can help us in our journey to become closer to Jesus in our daily life. "I ask the Lord for the grace that our heart may be simple, bright with the truth he gives us, and in this way we can be kind, forgiving, understanding with others, big hearted with people, merciful." The Baptism of Jesus marked the beginning of His public ministry. He went about proclaiming the good news of peace and doing the good works of mercy, justice, and healing. As we go forward in this New Year, let us think about ways to help bring love, peace, forgiveness, justice, fairness, and healing to others... especially when we don't think we have the time or patience or least expect that it matters or will make a difference... and let the power and love of Jesus shine through each and every one of us every day!

I would like to remind everyone that our Bible Study Group on the Gospel of Luke will be restarted again on Tuesday, January 12th at 8:30am in the Rectory. Hope to see all of you back - along with new faces - to partake in these studies and thought provoking discussions! Please sign up at the Rectory.

For all of our children who have already or will be going back to school and colleges now - may the joy of the Christmas season and the birth of Jesus be with you always and open your minds and hearts to learning as you continue on your journey. May Jesus be your companion in all that you do and the decisions you make!

God Bless You all and have a wonderful and safe week!

Fr. Jacek
