Message from the Pastor:

This past Wednesday, we began a period of forty days during which the whole Church renews itself through prayer, fasting and acts of Mercy. Today, the first Sunday of Lent, according to the Gospel of Luke, Jesus retreated to the desert for forty days to prepare for His mission after being baptized by John the Baptist. Luke dramatically describes what happened to Jesus while He was alone in that deserted place. The devil tempts Jesus with promises of bread (a symbol for material comfort), of power (authority over others), and of false glory (to be gained by daring to test God). But Jesus defeats the devil by defending Himself with God's word from the Old Testament. But even then the devil does not give up. He "awaits another opportunity" to tempt Jesus. Yes, Jesus is divine, but He is also fully human. Jesus resists the devil's temptation to put aside His humanity and act like God, thus remaining true to Himself and to why He came. Jesus' resisting the temptations has implications for us, too. By fully embracing His humanity, Jesus lifts us up to be who we are in our relationship with God. Only from this relationship do we have the inner strength and conviction to make right choices in face of the temptations that are always part of our human existence.

Today, the Church also celebrates World Marriage Day! "Among the many blessings that God has showered upon us in Christ is the blessing of marriage, a gift bestowed by the Creator from the creation of the human race." (USCCB) While marriage is a special blessing for Christians because of the grace of Christ, marriage is also a natural blessing and gift for everyone in all times and cultures. It is a source of blessing to the couple, to their families, and to society and includes the wondrous gift of co-creating human life. As St. John Paul II never tired of reminding us, the future of humanity depends on marriage and the family. Let us congratulate and pray for all married couples and especially those who are preparing for marriage.

As you might have heard, over the past year, our Archdiocese has embarked on a Capital Campaign endeavor, titled "We are Living Stones" for all parishes. We have been included in the 3rd phase, or Block 3, which will begin shortly. All parishioners will be receiving a letter this week with more detailed information on the Campaign itself and its mission as well as being invited to meetings here at our Parish to hear more about it. As a heads up and to mark your calendars, there will be two Wednesday evening meetings, March 2nd and March 9th, at 7 pm, and a noon Mass, celebrated by our Archbishop Bernard Hebda (followed by a 12:30 reception) on Monday, March 7th. I hope that everyone will find the time to make one of these time periods to learn more about how this campaign will help those in need and our Parish as well.

Please see the insert in today's Bulletin on all our Lenten activities to strengthen our faith in this year of God's Mercy.

Lastly, Happy Valentine's Day to everyone! Have a wonderful and safe week.

God Bless you.

Fr. Jacek

We Are Precious, Living Stones

As you come to him, the living Stone- rejected by humans but chosen by God and precious to him- you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ.

1Peter 2:4-5

Christ is the precious, living chief (first) cornerstone. Those who believe in him are also precious, living stones, for we are as he is (I John 4:17). When we confess Jesus as Lord and believe in our hearts that God has raised him from the dead (Rom 10:9,10) we become "living stones" in God's spiritual, eternal temple. David Augenstein

Our parish is participating in *Operation Rice Bowl*, the Lenten program of Catholic Relief Services (CRS), the official overseas relief and development agency of the Catholic community in the United States. 75% of your gifts to *Operation Rice Bowl* come to CRS to fund development projects overseas and Lenten education efforts in the U.S. 25% remains in dioceses in the U.S. to support local hunger and poverty alleviation efforts.

We encourage our families to pray and make small sacrifices on behalf of the poor (such as making simple meals or skipping dessert) and deposit the money saved in their individual donation box. Donation boxes can be found in the church vestibule and have been distributed to students through our religious education program.

Operation Rice Bowl connects us through prayer and action with the poor and vulnerable overseas and in the U.S. Visit www.crsricebowl.org during the weeks of Lent to learn more about the people you assist through *Operation Rice Bowl*.
